WEYMOUTH, MASS.

As it comes time to say good-bye to our school, our teachers, and even some of our friends, we look to the future and remember the past. We have spent the last four years of our lives here at North High. What has that time meant? We came into this school as lost little freshmen. In time we came to know our way around, we got to know some of the teachers, and we made new friends. Through the years we grew and matured. Our friendships strengthened as we came to know ourselves and our friends better. The many activities helped us in this, as did the dances, the pep rallies, and the plays. We were prepared for "that big world out there" by the things we learned, not only through academics, but through our relationships with other people, our experiences and our feelings.

We look forward to graduation and the freedom that day offers, but as we think about it, it scares us. We must think about what it will be like to take care of ourselves from now on. We no longer think of adulthood as one big party with no rules. We will have to be responsible and independent young adults. But even that is less threatening because we know we have been given a good education in many ways. We are Weymouth North High School's Class of '86 and we *will* make it! Good luck to us all, and thanks to North High for being the inspiration for so many special dreams . . . and the source of so many precious memories.

Jennifer Connors

It is hard to believe that it is already our year to graduate. It does not seem like it has been four years since we came here to form the Class of 1986.

Our class came together through school closings and redistricting. We overcame our rivalries and became the best class ever to graduate from North High. During our four years here we led the way for all the underclassmen and showed them how to do it right!

We have had a lot of good times here with friends and teachers. Just because we are leaving does not mean that we have to forget them. We will always remember the people here and all the places we went. These are the times we will look back on for the rest of our lives and remember that these are the best of times.

— Debbie Wyman

As Freshmen, we walked through the door
Strangers to this place.
Fear and wonder could be seen
On every Freshman face.
The halls were huge — the school unknown;
The days seemed like forever.
The crises we went through that year
We now can scarce remember.

Our Sophomore year we weren't so scared:
We knew our way around.
No longer new, and not so shy,
Our Freshman fears we'd drowned.
But now we were too confident
And many times we fell.
Homework seemed of no importance —
Quite unlike the bell.

As Juniors we were more mature,
We knew what was expected.
We did our homework because we knew
Our future would be effected.
We started to prepare for college
Or for something else;
We knew that soon it would be time
To take care of ourselves.

Senior year is the famous one
Because it is the best.
The memories of our Senior Year
Will bury all the rest.
We rule the school, we have our fun,
We wonder what's to come.
Get ready for the future, kids,
The present is on the run.

Good luck to us — good luck to you
The Class of '86!
We hope it all works out for us —
The future each one picks.
Now say "Good-bye" to things we've known
For four entire years.
"Good-bye, North High!"
We give to you and to ourselves three cheers!

Jennifer Connors

"SAD GOODBYES"

We'll be leaving soon
So before we go
Let us tell you how
We loved you so.

We faced alot of hardships
And yet we still held on
It's hard to believe, that in awhile
We will soon be gone.

Those memories of yesterday
Lie deep inside our hearts
We'll cherish them forever
For they will always be a part;

Of every little thing we do
We never will forget
Thoses high school days, and challenges
That we, as students, met.

The teachers here, have taught us
How to learn, and so we say
"Thank you" for your wisdom
You've helped each step along the way.

And let us not forget our friends
Who have shared in all we do
They've been there through the roughest times
To all friends, "We love you."

Good luck in life, and don't forget
Those "Glory days" we've shared
Remember all the happy times
And friends who really cared.

JUNIOR PROM — 1985

June 7th was the first time we got together as "The Class of'86". We celebrated the outgoing junior year and the incoming senior year the best we knew how. It was another great memory that will be treasured forever.

SENIOR SEMI-FORMAL '85

It was the first night of a full two week vacation and no snow was going to stop us from celebrating. The songs of the Gap Band and the never ending chords of "Wishing on a Star" will always remind us of one of the best nights of our high school years.

HALLOWEEN — 1985

October 31st was a fun day for all. Many were costumed and we saw their inner personalities emerge. The class of 1986 once again showed its true colors.

HOMECOMING '85

The fact that it was Homecoming was enough reason to celebrate but the 20-0 victory over Marshfield earlier in the day added to the excitement. We were proud to crown the King and Queen as well as their court. Thanks to the cheerleaders' and Miss MacSwan's hard work, Homecoming '85 was a big success.

Finalists (l to r) Tim Sweeney, Pam Sandahl, Jackie Perchard, Matt Morgan, Sue Mathewson, Michael Mahoney, Sean Hanifan, Sue Gough, Aileen Duffy, Mark Donovan

. . . not knowing how to feel . . .

"Ever have a complete blank??"

"Should I be happy?"

"Wait a minute . . ."

"It's bound to get better"

"C'mon, let's be serious"

THE 1985-1986 wrestling team had a fair year. Led by senior tri-captains Bob Doherty, Ron Dean and Brian Eger, the team concluded with a record of 6 wins and 9 losses. Outstanding North High wrestlers included Brian Younie, John Fitzgerald, George Carter, Sean O'Connell, and senior Mark Serafini enjoyed a very good season. The team members are hoping to have an even more successful season next year by looking very strong.

Row one: Dave Codero, Dave Noble, Billy Sepeck, Rich Davis, Tom David, Chris Choukas, Mike Carter, Matt Delvechio. *Row two:* Dave McDonald, Peter Deluca, Steve Boyd, Mike West, Rob Gately, Keith Avery, John Deady, Mark Serafini, Jamie Jackson. *Row three:* Coach Manzelli, John Simonds, Manager, Mike Ross, Matt Powers, Brian McDonald, Arther MacCarthy, Brian MacDonald, Eric Pantilla.

The 1985 Lacrosse team was the best in the school's history. They posted a record of 11-2 and went to the semi-finals. The 1986 team should be more successful with many players back from last years team. Two seniors made the Globe All-Scholastic team last year and we are hoping for more in 1986.

LACROSSE

BASEBALL

First Row: Peter Donohoe, John Mahoney, Lars Lambros, Jimmy Cavallo, George Daley, Brian Chaisson. *Second Row*: Mike Mahoney, Brian Baumeister, Mike Marshall, James Gilboy, Tim Sweeney, Mike Shaw, Sean Lovell, Coach Van Neste.

The 1985 baseball team enjoyed a fine season, finishing with a 14-2 record and a second consecutive league championship. Heading the pitching staff were Ledger All-Scholastics Lars Lambros and Mike Marshall. Leading the entire league in hitting was Mike Shaw. Mike Mahoney finished the league season with a .393 mark and led the team with eleven stolen bases.

BOYS' & GIRLS' TENNIS

Compiling a record of 6 wins and 9 losses the boys' tennis team holds out more hope for this season. With 6 of the 7 starting players returning for this season's campaign coach Bill Gardner expects even better results than last year.

The girls' tennis team had a tough season. Competing against Old Colony League high schools proved to be a challenge. Members of the team included junior Kerry Rogers, and sophomores Ilene Dempsey, Angela McWade, and Kristen Sweeney. The entire team is hoping for a stronger season this spring.

Many thanks to the coaches for their cooperation in the sports section.

The Last Thing in the World You Should Be Worried About is Your Insurance Agent!

If your agent gives you worries, call the Big I Guys at Kalafatas Insurance. We're accepting applications now for 1984 Auto Insurance. But if you prefer doing business with a big, impersonal company in a faraway city — a company that sends you mail addressed, "Dear Policy Holder," and gives you a little card with a toll free number direct to an anonymous voice in their home office — go ahead.
But remember, to talk to one of the Big I Guys at Kalafatas Insurance, you could darn near get by with two paper cups and a string!
